

The 18th GOSPORT HALF MARATHON Sunday November 16th 2003 Results

Apology

I really must apologise for the very long delay in getting these results out to you. This has been due to technical problems which I'm pleased to say are now fixed.

The Race

I hope like me that you enjoyed your experience at the Gosport Half Marathon. I can't believe how kind the weather was to us once again over the entire weekend. Our numbers were comparable to those of 2002. Thank you very much for your support. Many comments have been received to date we will be taking them all into account when we look at our plans for this year's event. Please either drop us a line to our PO Box or mail me david.j.little@btinternet.com should you have further comments.

Congratulations to Lesley Whiley (Reading Road Runners) and James Baker (Chichester Runners & A.C.), the respective winners of the Ladies and Gents races. It should be noted also that James broke the course record. Stuart Riggs of the BWRA retained his title in the wheelchair competition.

Congratulations also to the under 12's who completed the 1.2k Fun Run. Although our numbers were lower this year everyone completed the course successfully.

The Next Gosport Half Marathon

We have scheduled Sunday November 21st as the date for the 2004 event. Entry forms will be available later in the year plus we are talking to organisations about on-line entry so keep reviewing your favourite sites. We have a new look team for this year so expect to see some fresh ideas and faces. We look forward to receiving your entries.

Thanks

As usual there are a great many people without whom the race could not go ahead. My thanks go out also to the following people.

- Gosport Borough Council
- Gosport Police
- St John's Ambulance
- Our SEAA officials - Mel Barfoot, Joan Gale and Pam Rogers
- Bay House School (especially the caretaker & his team)
- Stella Baldwin for organising the crèche
- 16th Gosport Cubs & Scouts
- Members and friends of Gosport Road Runners
- Colin Sanders our T-Shirt man
- Portsmouth Joggers for the Race Clock hire

Gosport Road Runners were formed in 1983 as an informal club catering for runners in Gosport and its surrounds. The members of the club range from non-runners to occasional joggers to dedicated road runners some of whom compete in marathons and longer distances.

- There is no minimum standard - anyone can come along and try it, there is no insistence on attending training, meetings or races (although they are encouraged).
- Training nights are Tuesdays and Thursdays 19.00 hours at Thorngate Halls in Gosport.
- Social evenings are usually held on the first Monday of each month (except bank holidays) at the same venue (19.30 hours).

Contact may be made on any club night or through P.O. Box No 22, Gosport, Hants. PO12 3ER.

We Hope To See You Later This Year

Results

In an attempt to reduce the time lag between the head of the field crossing the line and the prize giving, I took the decision to award prizes as produced by our race system instead of making manual adjustments to ensure recipients of prizes receive a prize to the most advantageous value to them. This situation normally occurs amongst the Ladies results as veteran ladies usually feature further up the results list than seniors. I admit this logic to be totally flawed and make an unreserved apology to those ladies (and one gent) who were wronged by not having the correct prizes presented to them on the day. I did not wish to take anything away from your efforts during the run and hope it did not spoil your day too much. I'm truly sorry. It is club policy to rectify any such mistakes and those who didn't receive the correct prize value will receive adjustments with these results. We will also revert to our previous tried and trusted method for all future races. A revised prize list is shown below and full result listings are included. Well done to all prizewinners and a **BIG THANK YOU** to all of you for taking part.
